Firefly

Healthy Pregnancy Program

Provides FREE nursing and social work visits for pregnant and postpartum people to improve maternal health and birth outcomes

Services include:

- Individualized prenatal and postpartum health education (including POST-BIRTH Warning signs education from AWHONN)
- Breastfeeding support and education
- Depression screening and referrals
- Oral health screenings and connection to dental homes
- Nutrition counseling
- Promotion of healthy life style choices
- Family planning consultation
- Navigation assistance in accessing community resources
- Education on preparing for baby, infant care and safety

Firefly's Healthy Pregnancy program provides these services for Iowa Medicaid eligible pregnant people in Cass, Harrison, Ida, Mills, Monona, Pottawattamie, Shelby, and Woodbury counties. In Iowa, pregnant people can co-carry private insurance *and* Medicaid—if your client doesn't have Medicaid, we can help! We strive to ensure more babies and parents can celebrate their child's first birthday by lowering maternal and infant mortality and improving birth outcomes.

Referrals for services can be made by anyone by phone, fax, or email.
