

HMS HUB

HMS Hub Collaborative Meeting

September 23, 2024

Introductions

- Virtual – please “sign in” in comments with your name, agency, and HMS counties you serve
- At your table – What do you value about collaboration?
- Report back 1 or 2 responses to large group

Goals of today's meeting

- Make connections
- Communication
- Sharing of resources
- Form plans around priority –

Basic Needs

Employment/Lack of Income

Food Insecurity

What is the Harrison, Monona, and Shelby County Hub?

Collaboration based on collective impact framework

Goal - Focus on supporting children and families through prevention decreasing referrals to the child protective systems, and decreasing out-of-home placements

Central information exchange, establishing and strengthening relationships, identifying gaps and barriers, and finding solutions – through continuous communication

What makes HMS Hub different?

5 pillars of Collective Impact

1. Common Agenda

- Decreasing referrals to child protective systems and out-of-home placements

2. Shared Measurement

- Continuing to develop with evaluation

3. Mutually Reinforced Activities

- Action Groups

4. Continuous Communication

- Resource sharing, community meetings, Action Group meetings

5. Backbone Function

- Collaborative Director
- Thriving Families Alliance

Building on Protective Factors

Definition: conditions or attributes that mitigate risks and promote healthy development and well-being

- Social & Emotional Competence
- Knowledge of Parenting & Child Development
- Social Connections
- Concrete Support
- Resilience

Announcements – SNOW

- **S** success – please share something awesome in your agency now
- **N** need – please share a specific need that our group can help with (not money or people)
- **O** opportunity – do you have an opportunity to share with others in this group
- **W** wonder – What is something you or your leadership are curious about

Basic Needs

- **Employment** – assistance in securing and retaining employment. Also, services to assist develop the capabilities and skills to be employable.
- **Lack of income** – employment provides living wage, benefits, including healthcare and adequate hours each week to meet the basic needs of the family.
- **Food insecurity** – assistance in obtaining food. Education in obtaining nutritious food.

Action Group Breakout

Food Insecurity

Employment / Lack of Income

Virtual – will go into breakout rooms to join the discussions
